

MEERA KAPOOR

Lead Product Designer

Bengaluru · +91 98450 11234 · meera.kapoor@quillmail.com

PROFILE

Product designer with six years on consumer and fintech products, three of them leading a team of four. I work end to end -- research, flows, interface, hand-off -- and I like the unglamorous parts: onboarding, empty states, the error nobody wants to own.

EXPERIENCE

Lead Product Designer

January 2022 - present

Anaia Design Studio, Indiranagar, Bengaluru

- Lead a team of four across three retained clients (GreenLeaf, Kartly, Stillwell).
- Rebuilt the GreenLeaf grocery checkout; drop-off at payment down 18%.
- Owned the Kartly onboarding flow end to end, from research to hand-off.
- Run the studio design review; wrote the component library the team still uses.

Product Designer

June 2019 - December 2021

Anaia Design Studio, Bengaluru

- Interface and interaction work on six client products, mobile-first.
- Set up the studio's first usability testing practice (eight rounds a year).

Junior Designer

August 2018 - May 2019

Peartree Interactive, Bengaluru

- Marketing sites, brand systems and the occasional illustration.

EDUCATION

B.Des, Visual Communication

2014 - 2018

Srishti Institute of Art, Design and Technology, Bengaluru

SKILLS

Figma · design systems · user research · prototyping · accessibility · a little front-end
